GARRARD TYPE E PICK-UP HEAD

GARRARD TYPE GP9/11 CRYSTAL HEAD

This Head was fitted with either The Acos GP9 or GP11 Crystal Cartridge and would also accommodate a variety of American Cartridges. It was used on Record Changers RC60, RC65, RC70 and Type V Single Record Player. See page 1 for Cartridges incorporated.

— —

Head now out of production and **NO LONGER AVAILABLE.**

GARRARD ORIGINAL HIGH FIDELITY PICK-UP HEAD

This was used on Record Changers RC60, RC65, RC70 and the Type V Single Record Player. Head obsolete and **NO LONGER AVAILABLE.** A suitable substitute however, is the Garrard Type A adaptor and Decca XMS Head, Green Seal Plate. See pages 59 and 23.

— —

"A"

Early H.F. Pick-up Heads having a Stylus assembly as shown in illustration A, should be returned to the Garrard Service Dept., when a replacement Stylus is required. It will automatically be converted to the later type with replaceable Stylus assembly, as shown in illustration B.

— —

"B"

Later type H.F. Pick-up Heads have a replaceable Stylus assembly as per illustration B. Stylus type "High Fidelity" Standard, Silver Base Plate.
